

# Grade Expectation Sheet - ADVANCED CHEMISTRY

## Classroom Rules and Procedures

1. Students should be prepared for class everyday. They will need a **scientific calculator (NO GRAPHING CALCULATORS)**, Chemistry Reference Table (provided by teacher), and a lab folder.
2. Students are expected to arrive on time for class. Students not adhering to these guidelines will be marked late. Any student that is late three times will receive a cut slip and a phone call home.
3. Students must request makeup work the first day they return to school from an absence. The teacher shall set the time for the makeup work at the time of the student request. Assignments will not be accepted after the due date. It is the responsibility of the student to save all dittos, tests and homework.
4. Students are expected to cooperate with all class and school rules. Hats, cell phones, I-pods, and any other electronic devices will be confiscated. Students and their parents are also advised to check the student handbook for appropriate dress code.
5. Homework will be assigned at least 4 times a week. Homework may include the completion of laboratory assignments. Homework is designed to both reinforce and introduce material. Homework is usually based on the current topic and is reviewed and/or graded the next day.
6. Extra help hours may be before or after school or set up on an individual basis between teacher and student.
7. Grading policy: Tests 65%, Labs 15%, Quizzes 10%, HW 5%, and Projects 5%.
8. The Lab component of the class must be completed according to NYS policy. Failure to complete the number of lab hours required will result in not being able to take the Regents Exam.
9. There is a school board policy for students in advanced classes. An advanced student must continue to meet the following criteria.
  1. Consistent classroom achievement at or above 85.
  2. Achievement test scores in the 90<sup>th</sup> percentile or better.
  3. Evidence that the student possesses a superior degree of interest, aptitude and motivation for the curriculum area.
  4. Teacher recommendation in the subject area.
  5. Science Fair Projects will be required.
